

Complimentary Registrations:

Complimentary Registrations are issued with the following considerations:

1. Each new member to the Barbershop Harmony Society (Society) in the CSD will receive a complimentary Full Event Registration for either the first spring or the first fall convention following their joining the Society. This complimentary registration is not transferable and registration may not be held for use beyond the first two conventions as described above. This complimentary registration may be used whether or not the individual is a part of a competing chorus or quartet. This complimentary registration does not include additional events that are a part of the Super Event Registration.
2. College Quartet members who are competing in the Collegiate Quartet Competition are provided as compliments of the district a Full Event Registration.
3. The Society Representative and their spouse or guest is provided a complimentary Super Event Registration.
4. The Contest Judges and their spouse or guest is provided a complimentary Super Event Registration.
5. Invited guests of the district are provided a complimentary Super Event Registration.
6. Special performers invited by the district and/or the convention planning committee are provided Complimentary Single Event Registrations for the event at which they are performing. Additional concessions may be made at the discretion of the CSD Director of Revenue Development, District Convention Team Chairman and/or the CSD President.
7. Complimentary Registrations may be given to music educators and area music students at the discretion of the convention planning committee with the approval of the CSD Director of Revenue Development and the CSD President

Central State District (CSD) Convention Registration Policy

The CSD derives a portion of its income and operating revenue from holding financially success conventions. Therefore the following registration policies have been accepted by the CSD Board of Directors.

Standard Convention Registration

1. All competing quartet and chorus members must have a valid Full Event Registration for the convention. A Full Event Registration includes all contest sessions; i.e. all quartet contest sessions, chorus contest session, collegiate quartet session and other session as specified by the CSD Board of Directors. (It does not include special events or additional fee events such as the past champs show, talent showcase, anniversary show or any special show added to the convention schedule at an additional charge. These events are sold as a part of the Super Registration Package offered for the convention.)

The Collegiate Quartet Competition is a non-revenue event and is open the public at no charge.

2. All CSD Board Members, Operation Team Members and Convention Team Members are required to purchase a Full Event Registration or a Single Event Registration if they are attending all or any single contest sessions at the convention.
3. All local chapter volunteers are required to purchase a Full Event Registration or a Single Event Registration if they are attending all or any single contest sessions at the convention.
4. Single Event Registrations will only be available at the convention site and cannot be pre-ordered. Single Event Registrations will be assigned after all regular event registration seating has been assigned or in an area that will not be utilized for regular event registration seating.

Student Registration

1. Students are defined as and person who is occupying a seat and is within the age range or birth - 25 years of age. Children age birth to 3 years of age who will be sitting on the laps of their parents are not required to purchase a student registration.
2. Student Registration fee is ½ the price of the standard Full Event Registration Fee. Student fee for additional fee events is one half the standard registration fee for the event.
3. Student registrations are considered eligible registrations for students competing in either the chorus or quartet competitions.
